ZION INSTITUTE OF NURSING

E-Sector Nirjuli

Papum Pare District, Arunachal Pradesh - 791109

PROSPECTUS 2025-26

Admission
HELPLINE

Mr. TABA KING
Admission Coordinator
(M) +91-8414063304

Affiliated to

Rajiv Gandhi University (RGU) & Arunachal Pradesh Nursing Council (APNC)
Recognized by Indian Nursing Council (INC) New Delhi, Govt. of India

Director's Message

Zion Institute of Nursing (ZION) was started in the year 2013 with the foresight and vision to prepare professional nurses, to improve standards of nursing service through quality education. We have grown to be one of the largest and best nursing institutions in the state under the guidance and support of a dedicated team of faculties. We offer nursing programs like GNM & B.Sc. (Nursing). The college has recognition from Arunachal Pradesh Nursing Council (APNC) and Indian Nursing Council (INC). The College is also affiliated to Rajiv Gandhi University (RGU), a central university for the degree program, and Tomo Riba Institute of Health and Medical Science (TRIHMS) Naharlagun and Mental Hospital, Midpu for clinical training for the students.

The College is equipped with well-qualified and competent teachers, good physical infrastructure, a Library, and most importantly students get the opportunity for clinical learning in an affiliated teaching hospital with more than 500 beds.

Nursing students do have the benefit of contributions from interdisciplinary teaching faculty and ample opportunity for extracurricular activities as the college has excellent facilities for the same. We are proud to say that all our alumni are on job in various hospitals and nursing institutes in the state of Arunachal Pradesh.

I warmly invite you to be a proud nursing student of the Zion Institute of Nursing (ZION) Nirjuli from this year.

James Techhi Tara
Director

4. DURATION OF COURSE:

- A. B.Sc. (Nursing) – 4 years (8 semester)
- B. B.Voc. MLT – 3 years (6 semester)
- C. GNM - 3 years diploma course including Internship.

5. GNM COURSE:

Nursing is an integral part of the health care system which promotes mental health and prevention of illness within the health care. They are the pillars of medical and health care systems functioning in the country.

General Nursing and Midwifery (GNM) is a three year diploma course and is one of the most pursued nursing courses.

It is meant to prepare general nurses who can efficiently perform as members of the health team and capable of dealing the competencies in both the hospitals and community settings.

It also teaches the students how to care for individuals who are sick or have been injured in order to help them attain full recovery and also equips the students with multiple skills.

6. B.Sc. NURSING COURSE:

The B.Sc. Nursing programme is designed to enable students to get a wider understanding of nursing based on scientific principles and clinical experience. Students will be trained and educated on the processes of wellness, illness & disease management and health promotion. Will train the students with the ability to critically think and care for the patient, well-disciplined and assertive, responsive to the dynamic needs of the community, the health care delivery system as well as the society. Will train the students to take up decisions on their own in difficult nursing situations. Will also train the students to protect the rights of the patients. Will help in training the students to take up research initiatives in nursing as well as apply an evidenced based form of practice.

7) ADMISSION:

Interested candidate may log on to website: www.zioninstitute.org and register themselves for admission and uploaded the following documents:
